

REMARKS

Reconsideration of the application as amended is respectfully requested. The Examiner has restricted examination of claims 1-26 in this application. Specifically, the Examiner restricted claims 1-21 to Group I as being drawn to the apparatus of an electronic device, and, the Examiner restricted claims 22-26 to Group II as being drawn to the method of making a cooling fan..

Although Applicants do not necessarily agree with the Examiner's reasons for restriction, Applicants elect to prosecute claims 1-21 of Group I. Therefore, Applicants have canceled claims 22-26 with traverse for possible inclusion in a divisional application.

If the Examiner believes that a telephonic interview will help speed this application toward issuance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
